

## History

NOAH fielded its first baseball team in 2003. This 5th grade team didn't give up even though it won just one game, its last game of the season! In 2004 NOAH baseball dramatically expanded to 6 elementary teams with about 82 kids participating under the leadership of 24 coaches.

The next phase of growth for NOAH Baseball took place in 2005 with the addition of Varsity and junior varsity teams. In addition to the high school, a junior high program was added giving a total of nine teams.

In the Spring of 2006 NOAH expanded again adding an additional junior high team. This addition saw NOAH providing baseball for every grade; elementary (1st - 5th), junior high (6th - 8th) and high school (JV and Varsity). In 2012, NOAH added a freshman team to its high school program.

Our Varsity program is a member of HWSA, Home School World Series Association and participates annually in this national tournament currently held in Auburndale, Florida.
